The Impossible Dream - with DM's revised lyrics

Dick Morris' changed lyrics version of *The Impossible Dream*. I really like the music and most of the lyrics of *The Impossible Dream*, which was composed by Mitch Leigh to lyrics that were written by Joe Darian for the 1965 musical, *Man of La Mancha*. *The Impossible Dream* is the main song from that musical and it became its most popular hit. Then, in May 29, 2010, I realized that I knew how I could change its words so that it would be a much more: hopeful, encouraging, inspiring, healing and empowering song! I finished making the changes to my version (yellowed text) of *The Impossible Dream* in November 2014.
